

The 10<sup>th</sup> Annual Prairie Wind Culture Festival is being held on May 3<sup>rd</sup>, 2014 at the CCHS South Campus. You are invited to have a booth to display and sell your works. We want the Arts to be a focus of the Festival this year with an Art Market and a juried Student Art Show.

If you plan on selling anything, a booth fee of \$25/table used will be the only requirement and no commissions will be asked. You keep 100% of your profits. Consider having a booth if you are selling handmade goods such as jewelry or pottery, original art, fair trade and homeopathic items, locally grown food and produce. We charge \$25 per booth; tables are distributed on a first come first serve basis.

If you have an information table, there will be NO fee. You will have a booth space of approximately 8' x 8' and a table and chairs available (you may bring additional tables and chairs). Electrical outlets will be available upon request, however our power supply will be limited. If you absolutely need a power source you will need show up early to claim a spot.

Set-up time will be on May 2<sup>nd</sup> from 5:00-7:00pm and May 3<sup>rd</sup> from 9:00-10:00am. The booth fees will be used to fund the Juried Student Art Show awards (art supplies or classes from the AVA Community Art Center).

This Festival is free to the public and runs from 11:00 to 5:00pm. Last year's Festival was a huge success with approximately 750 people in attendance. The Festival has received support and/or funding from the Campbell County Community Recreation District, Peabody Energy, Campbell County School District, Campbell County International Club, the Prairie Wind Unitarian Universalist Fellowship, PepsiCo Inc., Flow Tech Systems, Inc., Haggerty's Music Works and many other community members. The Festival brings our community together in celebration of the art, music, food and dance which represent the many cultures and ethnicities living in this region.

With your support we can give young people a chance to get in involved in the arts and culture taking root in our community!
